

# amiibogedon camping tips

1) **Be Nice!** when talking to employees, other collectors, non-collector customers if there are only 2 amiibo left and another person, let them buy one

2) **Hygiene** shower, deodorant, clean clothes don't use odour scare tactics

3) **Call Ahead** to check numbers and availability, did the amiibo shipment arrive? but please see rule #1

4) **Bring a Nintendo 3DS!** copy of Smash, MK7 (has local download play), other games \*UPDATE YOUR GAMES TO THE LATEST VERSION\*

5) **Food, Water, Shelter** there might be food and drink in the game but...

Blue Link needs food, badly! 

6) **Phones** headphones, cellphone (phone a friend for help!) try not to be rude and jabbering in line for hours on end

7) **Back-Up Charger & Hot Spot** for hand-held systems or cell phone or laptop Nyko 3DS Power Grip is amazing!

8)  for smashing and trading, NFC adapter

## BONUS ROUND TIP

9) **Wii U, Smash Bros. for Wii U, Gamecube Adapter, GameCube Controller, Extension Cord, & External Power Source** (or just a GameCube controller)
